Dear Youth Leader,

We are really excited about the 27th Annual Northwest Youth Conference (November 10-12). The date this year is the same weekend as Veteran's Day, and should make it easier for most young people (state side) to attend. Our conference staff is planning and preparing to help make this a phenomenal year. We have already made plans for some great sessions for the delegates (both students and workers) that will make this conference worth your time and investment. We believe that the time spent at GPBC during the conference won't be wasted time.

Of course, no conference would be complete without the delegates. We hope and pray that you will prayerfully consider joining us for this great meeting. Needless to say, we would count it a privilege to be a help and a blessing to you and your young people.

Our speakers for this year's conference will be Evangelist Scott Pauley and Pastor Ryan Thompson. We are praying that the Lord will direct these men as they prepare to preach to our delegates. We are also blessed to have Bro Brent Rochester and his family provide the godly and Christ honoring music for our conference.

We have listened to our youth leaders, and this year, we are allowing each group to make their own plans Friday afternoon after lunch (from 1-4PM). We will make maps available to help your group plan their own afternoon activity. We believe this will be a great time to make memories with your group, as you (their youth leader sees fit).

Should any questions arise, please feel free to contact my secretary, Mrs. Judy Kelchner. Our contact info is listed below.

Thank you for what you do for the cause of Christ. We hope to see you in November.

For Our Youth,

Greg Adams
